

Flower Pot Scenes

You will need...

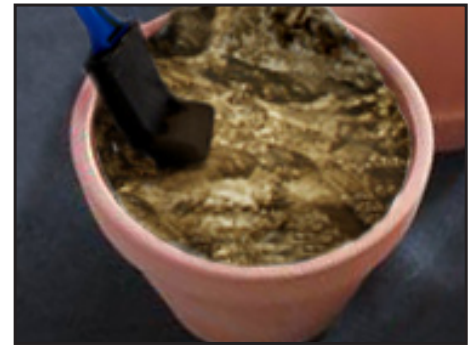

- Scene-A-Rama® Plaster Cloth
- Scene-A-Rama® Foliage and Grasses Kit
- Small Flower Pot
- Newspaper
- Tape
- Paints
- Embellishments

Fill flower pot to top with newspaper wads. Stack additional newspaper wads to create desired terrain. Tape in place.

Tape around top of flower pot to keep clean and apply Plaster Cloth. Allow to dry then remove tape.

Paint terrain and earth color and allow to dry.

Spray with Project Glue and Sprinkle Turf colors. Make Trees with sticks and Bushes or Foliage Fiber. Glue trees and Bushes in place. Sprinkle Yellow Flowers and Spray with Project Glue to seal. Add embellishments if desired.
